PLANNING TO TRANSFER TO A FOUR-YEAR SCHOOL? **STARS** IS FOR YOU!

STARS stands for Statewide Transfer & Articulation Reporting System. STARS is a web-accessible database system which provides guidance and direction for prospective transfer students in the State of Alabama. The STARS System allows public two-year students in Alabama to obtain a Transfer Guide/Agreement for the major of their choice. This guide/agreement, if used correctly, guides the student through their first two years of coursework and prevents loss of credit hours upon transfer to the appropriate public four-year university in Alabama. Although transfer guides/agreements can only be printed for two-year to four-year transfers, the STARS system can still provide guidance and direction to transfer students who have a different transfer situation. The Alabama Articulation and General Studies Committee (AGSC) is responsible for the oversight and monitoring of the STARS System. The information that students receive from the STARS System has been approved by the AGSC.

REACH THE STARS IN FOUR EASY STEPS!

STEP 1:

Access the AGSC/STARS home page at ...

<http://stars.troy.edu>

From the home page, Click on the STARS website.

From the STARS home page, click the button that looks like...

You should now select the option that best describes your current situation and click the "Submit Query" button.

STEP 2:

Enter your information:

E-mail Address (if available)

Name

Address

City, State, and Zip

Phone Number

Using the drop down menu, click the institution that you are Currently (or Plan on) attending and click the "SUBMIT" button.

STEP 3:

Carefully check your information.

Using the drop down menu, select a major and click the "SUBMIT" button.

STEP 4:

Using the drop down menus, select the institutions you are most interested in transferring to.

Click the "Compile Guide" button to process your guide. Once the guide appears, use the scroll bar on the right side of your screen to view the guide. At the bottom of the guide you can use the links to access Transfer Assistance and Area V web pages of specific institutions which offer programs in the chosen major.

Print a copy of the guide for your records. KEEP THIS COPY ... YOU MAY NEED IT FOR VERIFICATION PURPOSES.

If you have any questions or need assistance, call 334-670-3690 or use the "Contact Us" button at the top of the page to email us.

Additional Transfer Information:

In order to obtain a complete transfer agreement, the student MUST also print the Area V page for the major from the institution to which the student plans to transfer.

(NOTE: Some institutions are still in the process of building/updating their Area V pages for each of their majors. If you are unable to locate the additional Area V information from the receiving institution's transfer page, request the information from the institution's contact person. The contact page may be found here.)

All transfer students should:

- Print a copy of the guide for your use and verification purposes.
- Meet with your advisor to discuss the guide and the requirements listed. (There is no way the STARS System can tell you everything you need to know!)
- Obtain a new guide if you change majors.
- Read the entire guide and agreement carefully.
- Follow the instructions listed on the guide and in the agreement.
- Research institutions to which you plan to transfer (admissions requirements vary from institution to institution).

Improving Student Success in Online Classes

FREQUENTLY ASKED QUESTIONS

Q: I'm a new student. What do I need to do to be admitted and enrolled?

A: First, complete an application for admission and submit it by fax, mail, or in person, to the Office of Admissions and Records. In addition to an application for admission, freshman students are required to supply the College with an official copy of their high school transcript with the graduation date posted, GED certificate, ACT scores and/or official college transcripts mailed directly to the school. Transient students must submit an official transient letter.

Q: I've heard I have to take a test before I can take classes at the College. Is that true?

A: The College uses the COMPASS assessment to help you and your advisor identify your academic level. Call 205-391-2232 to schedule an appointment to take the COMPASS assessment.

Q: Once I've been admitted can I take any class?

A: That depends. Previous coursework and assessment scores determine which classes you are eligible to take. Many classes have prerequisite courses which must be taken prior to enrollment. Other classes are available only to students who have been admitted to a special program.

Q: Do I have to get a student I.D. made?

A: Any student enrolled at Shelton State, with the exception of a transient student, is required to have a student I.D. made. Transient students must provide a student I.D. from their home institution.

Q: How do I get my grades?

A: Grades are typically available through students' online accounts within two days after the last scheduled final exam. Grades are not mailed or given out over the telephone.

Q: How do I get admitted to one of the health programs, such as Nursing, Respiratory Therapy Emergency Medicine or Paramedic?

A: There are a limited number of students admitted into these programs. Applicants must meet certain criteria to apply and are selected for admission based upon factors such as GPA, relevant courses completed, field experience, entrance exam scores, etc. Application packets contain detailed information and are available from the Counseling Center.

Q: I have applied for financial aid and have received my Student Aid Report. What do I do next?

A: Once you have applied for admission to the College, you should:

1. Check with the Office of Financial Aid regarding your eligibility status.
2. Enroll in required courses for your program.
3. Maintain at least a "C" average.

Q: Will I need to declare my program before receiving financial aid?

A: Yes, one of the eligibility requirements is that you must be enrolled in a program leading toward a certificate or a degree.

Q: What do I need to do if I want to change my program?

A: If you are receiving a Pell Grant, you must check with the Office of Financial Aid before changing your program.

Q: Do I have to be full time to receive financial aid?

A: No, you do not have to be full time. However, your award will be based on your eligibility and your enrollment status.

Q: How will I know how much financial aid I have been awarded?

A: Once your file is complete, the Office of Financial Aid will send you an award letter.

Q: For financial aid purposes, how long do I have to complete my program?

A: You are allowed time and a half of the published length of your program of study (i.e., for a 65 credit hour program, time and a half is 98 credit hours).

Q: What effect will withdrawing from class(es) have on my financial aid eligibility?

A: Remember, you have time and a half to complete a program. However, excessive withdrawals or complete withdrawals will result in not meeting the quantitative standards of progress, thus making you ineligible for Pell Grant/Title IV aid.

Q: What are Standard College Policies?

A: This is an important document that students receive and sign for during the registration process. It provides a short statement of the most critically important College policies. Students will also receive a Course Syllabus for every course with policies specific to that course and that instructor.

TUITION AND REFUND POLICIES

Explanation of Refund Schedule and Policy

Full and First Split Term

A student who officially or unofficially withdraws from all classes before the first day of class will be refunded the total tuition and other institutional charges.

Dropping Classes (Partial Withdrawal)

Students will receive a 100% refund on all dropped classes as long as they have classes remaining on their schedule for either term within the semester as long as the class is dropped within its defined drop/add period as shown in the schedule of classes.

Complete Withdrawal

Once the drop/add period has ended for the full and first split terms, partial refunds will only be granted for a complete withdrawal of full and first split terms collectively. The amount of refund for the given term is defined in the printed schedule of classes for that particular class's term. For complete withdrawals, students who have full term and first split term classes must drop all classes for both terms in order to receive a refund. Students who have full term and first split term classes and drop a class or classes within either semester, and do not completely withdraw from all classes, will not receive any refund for that dropped class or classes if the class is dropped outside the defined drop/add period for the class or classes dropped.

Second Split Term

Students will receive a 100% refund on all dropped second split term classes if dropped prior to the first day of the second split term.

Dropping Classes (Partial Withdrawal)

Students who have a full term class and drop a second split term class within the scheduled second split term drop/add period will receive a 100% refund for that class. Students who have a full term class and drop a second split term class after the scheduled second split term drop/add period will not receive any refund for that dropped class.

Complete Withdrawal

If a student does not have a full term class, and even if the student had a first split term class that has ended, and the student withdraws from all second split term classes, the refund will be determined by the Complete Withdrawal policy as stated in the printed schedule of classes. Students who have a full term class and withdraw from all classes (full and second split term) after the scheduled second split term drop/add period will receive a partial refund for that second split term class only as defined in the complete withdrawal policy located in the Schedule of Classes.

Return of Title IV Financial Assistance

Federal Grant recipients who completely withdraw from the College prior to completing sixty percent (60%) of the enrollment period will owe a repayment to the U.S. Department of Education. Failure to attend class will result in a reduction or repayment of financial aid. Students enrolled in distance education classes must begin participation within five (5) days of the first day of class.

Definitions

Federal Grant Recipient

A student who receives one or more of the following: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), or Alabama Student Assistance Grant (ASAG) is defined as a Federal Grant Recipient.

Complete Withdrawal

The withdrawal date is the date that the student submits a completed withdrawal form (withdrawing from all classes) to the Office of Admissions and Records.

Sixty percent (60%) of Enrollment Period

For full term Fall 2008 classes, the 60% point is October 24, 2008; for first split term, September 17, 2008 and for second-split term, November 17, 2008. Students who withdraw from school on or before this date will owe a repayment. Students who withdraw after this date will not owe a repayment.

Repayment

The amount of repayment will be based upon a formula prescribed by law that considers the date of withdrawal and the amount of federal aid (excluding work study) received. Students who fail to repay the U. S. Department of Education will not be eligible to receive Federal Aid at Shelton State Community College or any other institution.

IMPORTANT INFORMATION

Failure to read this bulletin does not excuse students from the requirements and regulations described herein.

Withdrawal Policy

Students who wish to withdraw from a course or totally withdraw from school must officially withdraw on or before the date designated as the last day to withdraw for the semester. The last day to withdraw will be the Monday of the last full week of classes prior to the day final exams begin. There will be NO withdrawals after this date. The student will receive a grade of "W" regardless of the student's average at the time of the withdrawal; the grade of "W" will be recorded on the student's permanent record. Students who remain in the course after the last day to withdraw will receive the grade earned for the course.

Withdrawal through the online student portal is available until midnight of the designated last day for withdrawals and withdrawal in person is available until the close of business of the designated last day for withdrawals. No withdrawals will be taken over the telephone. An instructor's signature is not required. Failure to attend class does not constitute official withdrawal. If you experience difficulties contact the Office of Admissions and Records.

Last date to withdraw:

First split term	September 29, 2008
Second split term	December 1, 2008

Standard College Policies

The Standard College Policies are the policies which apply to all classes at Shelton State Community College. These policies have been summarized from the Catalog and the Student Handbook; they provide the student with general information that will assist in understanding the expectations regarding enrollment, grading, attendance, student conduct, and other important topics. A copy of the Standard College Policies will be given to each student at the Information/Security Desk at the same time the student completes the vehicle registration/waiver process. The Standard College Policies are also available on the College website, www.sheltonstate.edu. It is important that the students retain this copy through the current semester, as it applies to every class in which they are enrolled.

Transfer of Courses:

College advisors are available to help students complete their schedules. However, it is the responsibility of the student to make sure they have satisfied all course prerequisites and to determine whether a course will be accepted at another institution. Students who plan to transfer to a four-year institution in the state of Alabama should visit www.sheltonstate.edu and click on the STARS link. The Statewide Transfer & Articulation Reporting System (STARS) is a web-accessible database system which provides guidance and direction for prospective transfer students in the State of Alabama. The STARS System allows public two-year students in Alabama to obtain a Transfer Guide/Agreement for the major of their choice. Print and keep this guide. If used correctly, it guides the student through the first two years of coursework and prevents loss of credit hours upon transfer to the appropriate public four-year university in Alabama.

Prerequisites:

Before students enroll in a course, they must satisfy all prerequisites. If they enroll in a course for which they have not fulfilled all prerequisites, they may not receive credit for that course and may be administratively withdrawn.

Class Cancellations/Room Changes:

Occasionally it is expedient that the College must cancel a class or make a room change. To the extent possible, these changes will occur before 11:00 a.m. on Monday, August 18th, 2008. **Students are required to verify their class schedules on the web after that time.** Notifications of class cancellations will be emailed to each student at the email address assigned to the student by the college. Students affected by class cancellations should immediately attempt to register online in an alternate class or come to campus for assistance.

Although the publisher of the schedule has made every reasonable effort to attain factual accuracy herein, no responsibility is assumed for editorial, clerical, or printing errors, or errors occasioned by honest mistakes. ALL INFORMATION IN THIS SCHEDULE IS SUBJECT TO CHANGE BY SHELTON STATE WITHOUT PRIOR NOTICE.

It is the official policy of the Alabama Department of Postsecondary institutions under the control of the State Board of Education, that no person in Alabama shall, on the grounds of race, color, disability, sex, religion, creed, national origin, or age, be excluded from participation in, be denied the benefits of, or shall be subjected to discrimination under any program, activity or employment.
